### from the North & South

Exit the M1 at Jct25 and turn onto the A52. Follow signs for Derby and continue along for about 8 miles until you enter a roundabout (Pentagon Island). Follow signs for the A6 to Matlock, along Saint Alkmunds Way. Keep in right hand lane, follow signs for A52 to Ashbourne (Avoid the turn off for King Street), you should now be approaching a set of traffic lights, with BBC Radio Derby on your right, and the new Derby College building on the corner of the road greeting you. Carrying on straight at the lights, the road will swing around to the left and will come to another junction with traffic lights on Ford Street, stay in the furthest right hand lane around a sharp right hand corner onto Friar Gate (one way system), pass under the bridge, and the road will then split into 4 lanes, on the approach to a set of traffic lights. You will need to take the left hand lane of the two that swing off to the right. Follow the one way system around to the right onto Bridge Street, keeping in left hand lane. Take the first left hand turn approx. 50 yards down onto Mill Street, John E Wright is situated on the left hand corner at the junction with Brick Street.

### from the West

Coming in on the A38 from Burton, at the Markeaton roundabout where the A52 joins the A38 take the 3rd exit onto Ashbourne Road, travel 3/4 of a mile along this road until you come to the first major set of traffic lights, at a crossroads junction, Samways Cycle Shop will be on your left and a row of shops will be ahead of you on the corner. Take the first left, after the lights into Brick Street, John E Wright is 50yards down on your right.

### parking

Ample parking to the rear of the shop off Mill Street.
