Charles Street from the North

Exit the M1 at Jct 22 and take the A50 towards Leicester Centre. After 6 miles, just before the A50 meets the inner ring road, turn left onto Sanvey Gate. At the traffic lights, turn right onto St. Margaret's Way (A6) then keeping in the left hand lane, bare left onto Burleys Way. Go straight over the Burleys Flyover onto St. Matthew's Way. At the roundabout, take the 3rd exit onto St. George's Way. At the 2nd set of traffic lights after the Leicester Mercury building, turn right onto Charles Street where you will see the branch on the bend of Charles Street and St. George's Way.

parking

On street pay and display parking is available on nearby Granby Street - off street car paking on Dover Street

Marble Street from the North

Exit the M1 at Jct 22 and take the A50 towards Leicester Centre. After 6 miles the A50 meets the inner ring road where most traffic flows to the right. Follow this flow through a tunnel under the Holiday Inn.

Three lanes of traffic now turn sharp left up Newarke Street. Move across to the left lane in preparation to turn left at the end of Newarke Street into Pocklington Walk. Be careful as three lanes turn right and this is an accident zone. After 50 yards take the first left into Chancery Street and proceed to the end of this one-way street. At the T junction go straight across into our car park.
