from the North, South & West

Exit the M1 at Jct25 and take the A52 following the signs into Nottingham. After about 8 miles you will pass over the ring road, past the Queen's Medical Centre and proceed up a steep hill on Derby Road towards Canning Circus. Take a left lane but ignore the Ilkeston Road and Alfreton Road exits. As the three lanes start to swing downhill, Talbot Street splits off to the left. Follow Talbot Street through a series of lights at T junction. Turn left and at the next lights turn right into Shakespear Street. Proceed to the end, and turn left into Mansfield Road. After another 100 metres join the filter right to turn right at the Woodborough Road lights. Turn right again at the next lights after another 100 metres, into Huntingdon Street going south. We are 50 metres down on the left

parking

John E Wright parking off Watkin Street, first entry on the right, or using spaces on Shelton Street or Wellington Street.
